Dear Parents & Carers,

The children looked so bright and colourful today! Thank you so much for all the colour raffle donations, make sure you get your raffle tickets to be in with a chance to win one!

The children had their second transition morning this week which was a great success. The children loved taking part in a range of activities and enjoyed spending time with new classmates and teachers.

As this hot weather continues, please make sure you are applying long lasting sun cream before school, bringing a hat and water bottle. We will continue to ensure children are drinking plenty, playing in the shade and having some water play to stay cool! We have not put fans into classrooms as where we have tried this we have found these to be ineffective in a large classroom with so many bodies, essentially blowing around hot air!

HSPTA Colour Fun

We are really looking forward to the 'Colour Fun' at the end of term on Wednesday 22nd July. Remember to purchase your tickets through the HSPTA website. Children will be able to come to school in their colour fun clothes and bring a spare set of clothes to change into after - they do not need uniform on the last day.

Parent Survey

Please fill out our end of year parent survey to help us evaluate strengths and further areas for development. We really value your parent voice and want to continue working in close partnership with you to provide the very best for every child in our school. Please see the survey here: [Hiltingbury Infant School - Parent Survey 2026 – Fill in form](#)

Reports

Your child's report will be emailed to you today, this celebrates and summarises their achievements throughout the year. If you have any questions or would like a follow up meeting with your child's class teacher then please speak to them at the classroom door or email through the school office.

Summer Library Reading Challenge

The children loved their assembly from Chandlers Ford Library this week which was all about the summer reading challenge. We hope the children came home talking about it and would like to take part. We would love to see their certificates in September to celebrate their engagement and achievement.

Wraparound Care Last Day of Term

This is a reminder that we finish at 1.10pm on the last day of term (22nd July) so we will not be running after school club on this day.

Lost Property

Just a reminder that we still have a large amount of unclaimed lost property in school. If you have lost any items please have a look in the boxes just outside the reception area any time up until Thursday next week. On Friday, anything left will be donated to charity/recycled.

Big Future Survey

Dame Rachel de Souza, the children's commissioner is asking parents and carers to support their children in completing the Big Future Survey. She wants to hear from as many children 0-18 and is asking them about changes they want to see in their communities, their biggest concerns and their hopes for the future. More than anything she wants to know what they think a good childhood should look like today. There have only been three responses from our school so please take a look and complete with your child if you can. You can support your child in completing this: <http://www.childrenscommissioner.gov.uk/thebigfuture>.
