How to say Phase 5 sounds

How to say the Phase 5 sounds

At Phase 5, children learn alternative graphemes for sounds introduced in Phases 2 and 3.

Sounds introduced in Phase 2

Grapheme and mnemonic	Pronunciation phrase	Phase 5 Graphemes
	Show your teeth and let the s hiss out ssssss ssssss	c se ce st sc
	Open your lips a bit; put your tongue behind your teeth and make the nnnnn sound nnnnn	kn gn
	Put your lips together and make the mmmmm sound mmmmm	mb
	Open your mouth into a little smile; make your tongue flat and move it up towards the top of your mouth to say ccc	ch
	Show me your teeth to make a rrrrr sound rrrrr	wr
	Open your lips a little; put your teeth on your bottom lip and push the air out to make the sound ffff ffff	ph
	Open your mouth a little; put your tongue up to the top of your mouth, behind your teeth, and press llll llll	le al

This term we are teaching Phase 5

In Phase 5 children learn:

- new graphemes for the sounds they already know
- that the same grapheme can have alternative pronunciations.

The 'Grow the code' lessons support children with reading and spelling these alternative spellings.

How we teach Phase 5

Reading words

Children will be able to:

- blend independently
- blend in their heads with increasing fluency and confidence.

They will also begin to distinguish between different phonemes/graphemes.

Tricky words

Phonics Screening Check

This year your child will take the Phonics Screening Check

What is the Phonics Screening Check?

- It is a quick check of your child's phonics knowledge.
- It is **not** designed to create any stress or anxiety for your child.
- It assesses decoding skills using phonics.
- It consists of 40 words (20 real words, 20 'alien words').

If children do not achieve the required score in Year 1, they will retake the screening at the end of Year 2.

Page 3 of 24

Page 9 of 24

How does the check work?

- Your child will sit with a member of staff that they know.
- They will be asked to read 40 words aloud.
- This takes just a few minutes to complete, but there is no time limit.
- If your child is struggling, the teacher will stop.
- It has been carefully designed not to be stressful for your child.

What are 'alien words'?

**Why we teach alien words
for Phonics Screening Check**

A quick guide to alien words

tabe

Yr1 Su1 wk1

'Alien words' recap

- The check will contain 20 'alien words'.
- The children will be familiar with alien words as they will have covered them in class.
- Alien words assess children's decoding skills and are used in lessons for the purpose of preparing for the Phonics Screening Check **only**.
- Children cannot read these words by using their memory or known vocabulary, so they have to use their decoding skills. This is a fair way to assess their ability to decode.
- The Phonics Screening Check will be administered in June.

Spelling

- This term, your child will be taught how to spell words every day using the graphemes they have been taught so far.
- They will practise writing a dictated sentence.
- Handwriting is referred to but is taught at other times of the day.

Spellings at home

- Spellings will be assigned to Seesaw towards the end of the week (usually on a Thursday).
- Please practice these spellings with your child at home. Fun ways really help!
- The children will have a spelling quiz on a Thursday.

We use assessment to match your child the right level of book

Reading a book at the right level

This means that your child should:

- know all the sounds and tricky words in their phonics book well
- read many of the words by silent blending (in their head) – their reading will be automatic
- only need to stop and sound out about 5% of the words by the time they bring the book home – but they should be able to do this on their own.

Reading at home

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to...

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.

Your child's reading journal can be used to record books they read to you and ones that you share with them.
