

How do
we cross
the road
safely?

STOP

LOOK

LISTEN

Find a safe place to cross and stop

Stop just
before you
get to the
kerb

Look and listen all around for traffic

If traffic is coming, let it pass –
then look all around again

When the road is clear, walk straight across the road.

Keep looking and listening when you cross.

Don't forget to
hold hands
whilst you're
crossing

What do we need to remember?

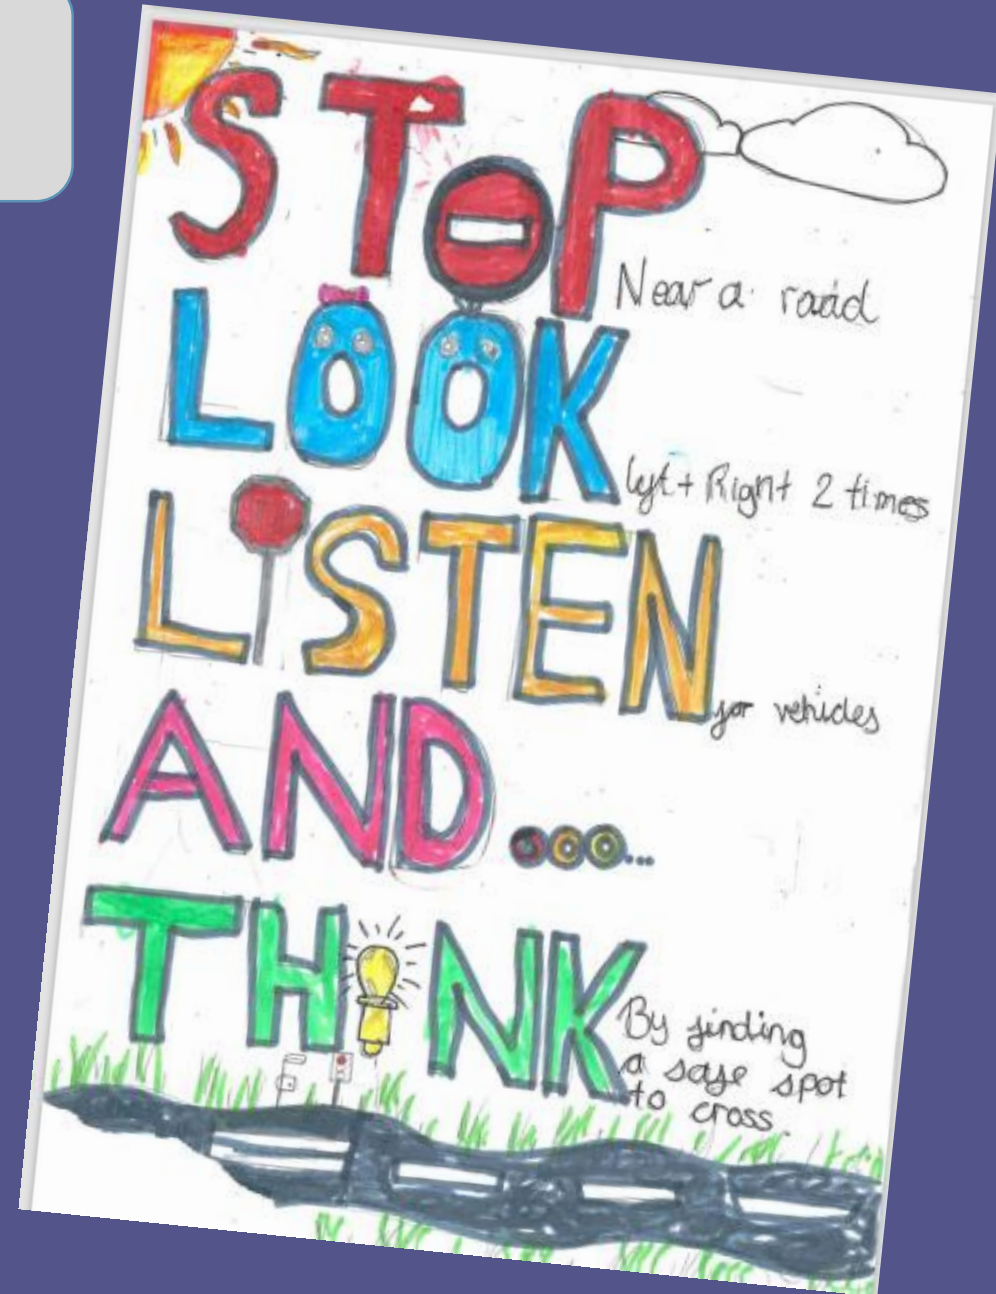

Hold hands

Stop

Look

Listen

Think

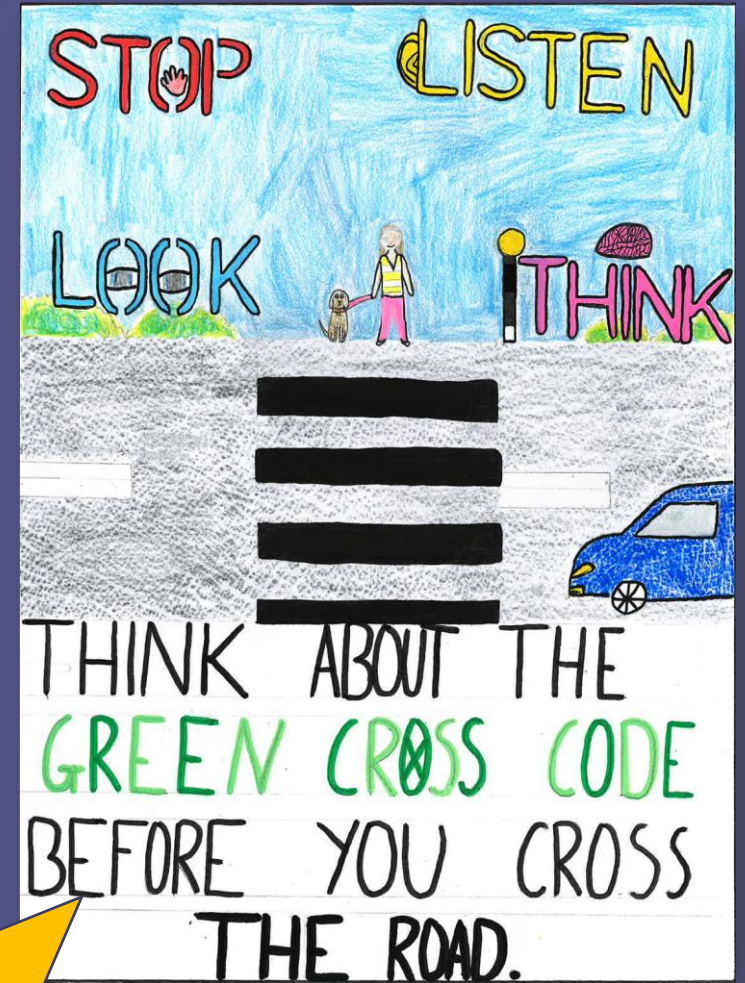

We need a new Green Cross Code poster?

Design a poster which helps people cross the road safely.

Don't forget to include:

- Stop, look, listen and think
 - Be bright be seen

Bold, bright and stand out to the audience.
