Dear Parents & Carers,

The children have loved their dress down day today, excitement is in the air! We are looking forward to our HSPTA Spring Fayre on Saturday 17<sup>th</sup> May.

A reminder in this hot weather to ensure your child brings a sun hat to school and you apply long lasting sun cream before they come to school. We will also encourage children to find shade when needed outside.

Please can I remind and give clarity that all school outdoor play equipment should not be used before and after school. These are for use in school hours under the supervision of school staff to ensure safety and appropriate use.

### Empowerment Approach - Kit Messenger Training-7<sup>th</sup> May 4pm

We are looking forward to our parent session online with Kit Messenger all about the empowerment approach to behaviour management in school. She will be covering the main principles of this approach including executive function skills, knowing about children's needs and how you can support these at home and carrying out prep4best. Please do attend this online training as this is a great opportunity for you to find out more with ideas to implement at home. Please use the following online link to join:

### Walk to School week

We are looking forward to taking part in the Walk to School Week from 19<sup>th</sup> - 23<sup>rd</sup> May, please see the attached poster for more information.

### Seatbelt Safety

The Road Safety Team are always shocked to hear how many children don't always wear their seatbelt, even as young as Year 5 pupils, so we are aware that this is such an important message and could save the children's and families lives. Below is a Sway link that highlights information about the use of booster seats as well as seatbelts and a reminder of the seatbelt laws.
