Dear Parents & Carers,

My assembly yesterday focussed on VE day, we watched a video and learnt about it being 80 years since the end of World War 2 and how these celebrations were really big. Lots of children had said they had seen the Red Arrows fly over on Monday as part of the VE day celebrations. Hopefully children were able to talk about this at home with you.

Year R have had a really exciting week, they have had a range of visitors including police, dentists and a nurse all to support their learning on people who help us. Children loved seeing the police car and learning more about their roles in helping people.

A reminder that it is class photos next Tuesday and all children need to wear their school uniform this day.

Empowerment Approach - Kit Messenger Training-7th May 4pm

Thank you so much to everyone who joined the online session with Kit Messenger on Wednesday, we hope it was really useful with some thoughtful takeaways. Please see the following link and QR code to the flipbook which shares key information on the empowerment approach with some useful videos to watch too.

Walk to School week

We are looking forward to taking part in the Walk to School Week from 19th - 23rd May, my assembly on Monday 19th will be all about the challenge. We know some of you are working parents so you can park and stride and we will also count journeys going home, not just to school, for those of you who have limited time in the morning.

May Half Term

There are a range of events and opportunities to help fill your half term. Please see the attached poster from Southampton City Council about some exciting local events. R&R sports are also running local clubs with one being held here on Thursday 29th and Friday 30th May - please book your places through the R&R information on their flyer.

Lost Property

We have a considerable build up again of lost property! We will be putting this out on Monday and Tuesday next week (outside the school office) so please do come and have a look if you are missing any items! Anything left will be donated to charity.

Partnership Working

We are always working reflectively as a school and value your feedback. Please do remember if you have any issues or concerns you wish to raise this can be through the class teacher, if this

does not resolve the situation then please communicate with school leadership. We are proud of our positive partnership with all families.
