Communications this week:

Y2 Curriculum News	Community Day invite
Parent Wellbeing Newsletter	YR, Y1, Y2 Community Day Donations
Classes for next Academic Year	

Dear Parents & Carers,

We are really looking forward to our school Spring Fayre tomorrow from 12-4pm. We look forward to seeing many of you there enjoying the range of activities and stalls. See the HSPTA information shared earlier this week for further information on how to purchase games passes and more!

Year 1 had an amazing trip to Avon Tyrrell on Monday this week. This is the first time we have taken our children on this trip and I have heard fantastic reviews of the experiences and activities they got involved in! See some of the photos in this newsletter to see the day in action.

We sent a communication about our joint Community Day next Thursday (please see separate communication for further detail). We are excited to welcome you into school for the afternoon of activities and picnic.

Hiltingbury Hub - Allergies in Children

On Friday 20th June at 2.30pm, one of our mums, Fulden Tubb, will be giving a talk on all things allergy. She is a registered Mental Health Nurse, an Allergy Mum, and a Mental Health and Allergy Coach.

The talk will take us through her family's allergy journey, including diagnosis, navigating life at home and school, and practical tips for everyday life. She will also share helpful resources and strategies for staying mentally and physically well while managing allergies.

This is a wonderful opportunity for any parent - whether you're dealing with allergies or just want to understand more and help support other families. We'd love to see as many of you there as possible!

Learners of the Week:

<p>Cali Cherry Paige Beech</p>	<p>Chiara Chestnut Karis Spruce</p>	<p>Aria Cherry Isabelle Holly Ruponti Cedar</p>	<p>Ashley Apple Darcey Beech Layla Hazel Tanya Holly Thomas Cedar Jack Spruce</p>	<p>Henry Hazel</p>	<p>Rory Apple William Plum Hana Plum Kian Chestnut</p>

Walk to School week

We are looking forward to taking part in the Walk to School Week, next week my assembly on Monday will be all about the challenge. We know some of you are working parents so you can park and stride and we will also count journeys going home, not just to school, for those of you who have limited time in the morning.

Smart Phone Evening

We are working collaboratively with local schools on smart phone usage and will be holding a presentation and workshop on how to support your children in Thornden Hall on Thursday 26th June at 6pm. Bookings for this will be sent out on Monday to ensure equal access to parents across all schools. I appreciate you may feel your child is still very young but this event will hopefully help you think and prepare choices for the future for your child/ren.

Year 1 Avon Tyrrell

Enjoy your weekend!

Kind regards

Phillippa Longman
