Communications this week:	
Daily Echo School Token Competition	June Sessions for SEND parents/carers
YR Trip to Longdown Dairy Farm	Y2 Curriculum News
Sports Day	

Dear Parents & Carers,

I had the pleasure of joining Year 2 on their trip to Fort Nelson this week. The children have begun their learning all about Florence Nightingale. The day began with meeting Florence Nightingale and engaging in drama which really captured the children's attention. The day was full of activity where the children experienced first hand what life was like, including hospitals, and the impact that Florence Nightingale had in nursing. The children were a credit to the school and I was very proud of their behaviour and engagement throughout.

In my assembly this week we learnt all about different Eid celebrations and heard from children about their plans for today and the weekend. I know some children are off school today to celebrate with their family. We hope you all have a wonderful Eid.

### INSET Days Next Year

Next academic year the following days will be INSET, these are in line with the junior school:

Wednesday 3<sup>rd</sup> September 2025  
Thursday 4<sup>th</sup> September  
Monday 3<sup>rd</sup> November  
Monday 5<sup>th</sup> January 2026  
Friday 22<sup>nd</sup> May

### Hiltingbury Hub - Allergies in Children

On Friday 20<sup>th</sup> June at 2.30pm, one of our mums, Fulden Tubb, will be giving a talk on all things allergy. She is a registered Mental Health Nurse, an Allergy Mum, and a Mental Health and Allergy Coach.

The talk will take us through her family's allergy journey, including diagnosis, navigating life at home and school, and practical tips for everyday life. She will also share helpful resources and strategies for staying mentally and physically well while managing allergies.

This is a wonderful opportunity for any parent - whether you're dealing with allergies or just want to understand more and help support other families. We'd love to see as many of you there as possible!

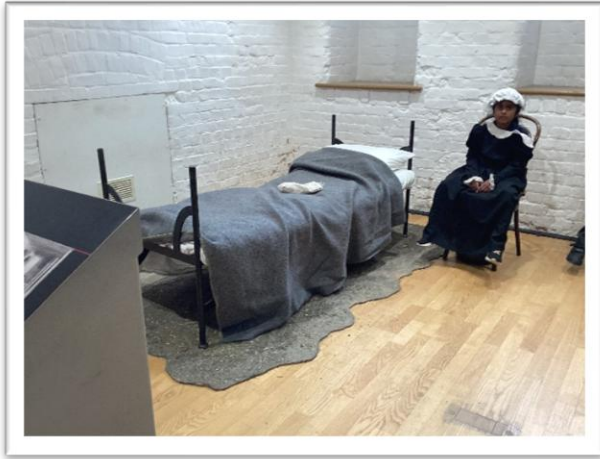

### MHST Survey

We will be sending out a survey next week to all Year 1&2 parents from the Mental Health Support Team. As part of their training and research they are completing a wellbeing reflection exercise primarily focussing on experiences at lunch time. We would be grateful for your input as this will help in our future plans for lunchtime provision across the school.

### Vouchers - Please Collect!

A reminder to collect the tokens from the daily echo until Friday 11<sup>th</sup> July to help the school to win some equipment! Encourage your family and friends to get involved too! Please see the attached poster for further details.

## Year 2 trip to Fort Nelson

Eid Mubarak to all our families celebrating this weekend!

Kind regards

Phillippa Longman
