1 st July – 1 st transition morning	16 th July – Year 2 leavers assembly 9.15am

Communications this week:	
R&R Sports Courses	

Dear Parents & Carers,

We kicked off sports week with a fantastic sports day, a big thanks to Miss Osman who organised the day and all the staff for their great support, organisation and participation! It was a super day showcasing teamwork, skill and competition! Well done to all the children for great sportsmanship.

We have continued sports week with a variety of other physical activities and games throughout the week which the children have engaged in really well.

We ended the week with 20 of our Year 2 pupils joining local schools in an athletics competition at Merdon. The children took part in a range of activities and ended with a running race. We were the very proud winners with a 100 points lead. Well done to all the children and a massive thank you to the parents for bringing them to the event and supporting us throughout!

Transitions

As we begin to think about the next academic year we have a range of transition opportunities happening. As part of these, class teachers will swap round for story sessions with different classes so that all children become more familiar with a range of adults in school, this does not mean these adults will be their next class teacher. You will find out the staffing and class your child is in on the 1st July which is the children's first formal transition session to their new class.

Car Park

We have had further concerns raised about some very unsafe dangerous behaviours outside of school in the car park. We have alerted the local council and parking wardens. Parents are continuing to park out the front of the basement building which restricts visibility for drivers reversing out, this is very hazardous for pedestrians. Cars are still turning right during restricted times which causes a massive safety issue for our families crossing the main road and our crossing patrol person. There is also still parking on the double yellow lines. Please can I ask that we are all respectful of the rules in place to keep all families safe.

Learners of the Week:

Oliver Apple Rosie Apple	Eliza Beech	Dalia Cherry Anvitha Plum Enfys-Grace Plum Gemma Beech	Oliver Chestnut Molly Holly Darcie Cedar Sefton Spruce	Remy Holly Miles Cedar	Ava Cherry Nyla Chestnut Jos Spruce

Health Visiting and Nursing Survey

Please complete the following survey to have a say on the future of health visiting and school nursing services in Hampshire: <https://www.facebook.com/hantsconnect>

Sports day!

Sports Competition Winners!

A reminder to keep collecting the tokens from the Daily Echo until Friday 11th July to help the school to win some equipment! Encourage your family and friends to get involved too!

Kind regards

Phillippa Longman
