Spooks and Sparks Newsletter Special

We are excited to announce we are trying something a little bit different this year: A Halloween themed Laser show!

But why change?

Laser shows are spectacular events with all the fun of fireworks, played to music and still give that Ooooooh – Ahhhhhh factor!

They are becoming increasingly popular.

We are following a more sustainable path, laser shows are much more environmentally friendly.

It means those children who struggle with loud bangs and whizzes can enjoy the event.

It's also kinder for our local community – our pets will thank us!

Fireworks are becoming hugely expensive and we would like to try a more cost effective event, also due to the number of local bigger fireworks displays, we are finding it hard to compete.

Our theme this year is a Halloween theme, this means there will be Halloween music (think Ghostbusters) so not scary but fun, child friendly, 'spooky' music'.

We will still have our amazing Bayhnams BBQ, Glow sticks and café.

We really hope you can support the school and our amazing Spooks and Sparks event team this year and give our laser show a try!

We will be sending out feedback forms after the event to see if this is something you are keen to do in following years.

You can purchase tickets here: <https://www.pta-events.co.uk/>

Hiltingbury Schools Parent Teacher Association

COFFEE MORNING

When: 1st October @ 9am

Where: Infant School Hall

Join us for the opportunity to meet other parents in your year group and to find out more about the PTA, with the added bonus of a hot drink and biscuits!

The School Nursing Team will also be attending so this is your chance to speak to them about any concerns you have regarding topics like sleep, toileting and emotional wellbeing.

Babies and toddlers welcome to attend.

Upcoming events
