W/B 9 th February – Children’s Mental Health week	13 th February – last day of term

Communications this week:	
Parents Evening	

Dear Parents & Carers,

I really enjoyed joining half of the Year Two cohort on their trip to Bolderwood on Tuesday, we were very lucky with the weather, the Thursday group got a little more wet but still loved the experience! The children’s engagement and enjoyment was a joy to see and I was very proud of their behaviour throughout the day. This trip has supported their learning of human and physical features within geography and they have learnt more about the natural world around them. Hopefully lots of the children have spoken about wanting to return to the area with their families!

Some of the Year Two children have been involved in an inter-school dodgeball competition with other local infant children this morning. The children displayed great teamwork and sportsmanship throughout. We are very proud winners with the first-place trophy!

Parents Evening Booking

You will have received an email about booking your upcoming parents evening on 11th and 12th February. The booking will open from 7pm on Sunday 25th January, please use your Arbor account to book a 10-minute slot on Wednesday 11th or Thursday 12th February.

Parking

We have been contacted by the parish clerk about some changes within the Hiltingbury car park due to the risks being caused by parents parking on double yellow lines at the entry/exit to the car park causing very concerning safety hazards. By the end of this week additional signage will be installed along that exit route. This signage will enable the double yellow lines to be enforced as no parking, just like other sections of the highway. The parking wardens will be enforcing the no parking from Monday 26th January 2026.

Itchen Valley-Tree Planting Day

Please see this link about an event at Itchen Valley Country Park on Sunday 25th January where you can plant a tree yourself to help grow your local woodland and make a difference to the community.
