Further ways to help your school

Do you have a little time to spare now or later in the year? We run a variety of PTA events and need volunteers for all kinds of roles. Some tasks take just a few minutes, others a bit longer; some happen during school or work hours and others on evenings or weekends.

Whether it's wrapping Elfridges presents, baking a cake, helping on a stall, or even throwing coloured powder at your kids, there's a job for everyone big or small! These events can only happen if we have enough hands to help.

Many employers also offer paid volunteer days you can use to support school events. For example, the University of Southampton has recently introduced this benefit for all staff.

If you might be able to help at any point, please join our volunteers' WhatsApp group here **here**
