27 th March- HSPTA Easter Egg Hunt	4 th May – Bank Holiday

Communications this week:	
TogetherNESS	
Simon Says Newsletter	
Dropping off/Picking up	
Y1 Victorian Day	

Dear Parents & Carers,

'Bike it' Jon led our assembly on Monday all about the Big Walk and Wheel challenge for the next two weeks. Children will be recording daily how they travelled to school and we will be submitting our data to Hampshire at the end of the two weeks. The more active travel we have the more chance we have to win some super prizes including a scooter stunt show!

Year R have had an exciting couple of weeks with ten eggs arriving in school and observing 10 chicks hatching from these - they have been observing and noticing changes and learning how to care for them carefully.

Year 1 had a fantastic visit from Zoolab this week as part of their science learning where they have been identifying, grouping and understanding a range of animals. The children loved this experience and brought much of their learning to life.

The whole school loved our show from the Animal Guyz on Wednesday this week. They brought a range of animals to life with lifelike puppetry and shared some very important messages on how we can make small changes to look after our planet. A massive thank you to the HSPTA for funding this show.

Some of our Year two children took part in a local hockey competition this morning. I had the pleasure of joining them today and was very proud of their teamwork and support of one another. We clearly have a competitive streak too and came away very proud winners of the event.

MHST Online Sessions for Parents

Ramadan & Eid

Next week we are looking forward to an assembly all about Ramadan and Eid from one of our parents. We are still collecting donations to support the Date Project charity, please see the list of suggested donations on the following link: <https://thedateproject.org/gift-back/>

Caring for our Planet-Saturday 18th April

On Saturday 18th April 2026, Methodist Churches in the Winchester, Eastleigh and Romsey areas will be hosting a community event at Chandlers Ford Methodist Church focused on 'Caring for our Planet'. Entry will be free and the day will include a range of activities from eco themed crafts to seminars with experienced environmental advocates.

Big Walk and Wheel

We are looking forward to taking part in the Hampshire Big Walk and Wheel from next week- 16th to the 27th March. Plan as many active travels throughout the two weeks for our school to be in for a chance to win a range of prizes!

Science and Engineering Day - Saturday 14th March

Discover something extraordinary at Science and Engineering Day this March!

The University of Southampton's annual Science and Engineering Festival (SOTSEF) returns this March, offering an exciting chance to explore the world of STEAM - Science, Technology, Engineering, Arts and Mathematics. Running alongside British Science Week, the festival's flagship event, Science and Engineering Day, takes place on Saturday 14th March.

This free, family-friendly day invites visitors to enjoy more than 140 activities, including inspiring talks, interactive shows, hands-on workshops, and behind-the-scenes laboratory tours across the state-of-the-art Highfield and Boldrewood campuses. No previous knowledge is needed - just curiosity!

Free tickets are available via the festival website: www.sotsef.co.uk

Learners of the Week - 6th March
