Exciting News: Refreshing Our School Logo

Dear Parents and Carers,

As we approach a very special milestone next year, 60 years since our schools first opened, we have a wonderful opportunity to reflect on who we are, what we stand for and how we continue to prepare our children for the future. With this in mind, we are delighted to share some news; we will be refreshing the school logo together across both Hiltingbury Infant and Junior School.

This exciting development builds on our recent celebration of Children's Mental Health Week last half term and its theme, "This is our place." It highlighted just how important a strong sense of identity is in helping children feel they belong, feel proud and feel safe. Our refreshed logo will reflect this shared identity, as well as the evolving world our children are growing up in and the future of education, bringing with it a clear and consistent identity that we can all feel proud of.

We will introduce these changes gradually and thoughtfully, with a strong commitment to sustainability and value for money. There is no expectation for immediate change; children can continue to wear their current uniform until it naturally needs replacing. New uniform items featuring the updated logo will be available to purchase in preparation for the start of the new academic year in September, allowing families to make the transition that reflects their needs.

We are working closely with the School Council at the Infant School and the Young Leaders at the Junior School who have already begun sharing their ideas and thoughts and they have led an assembly sharing this exciting news to all of the children.

We will keep you updated over the coming weeks as this exciting project progresses. Thank you, as always, for your continued support.

Best wishes,

Zoe Loosemore and Phillippa Longman
