

Dear Parents and Carers,

We are very much looking forward to our whole school Community Day on **Thursday 21st May at 1.15pm - 3.00pm.**

If you are able to join us, please arrive from 1.15pm and enter via the School Office. From there you will be directed to your child's classroom for them to share with you some of their work and join in with some classroom based activities. We understand that some families may have children in both schools, and you are of course welcome to share your time across the afternoon. If you do plan to visit both schools, please exit via the school office and let your child's class teacher know.

At **1:50pm**, classroom activities will come to a finish and we will come together for a whole school community picnic on the field, starting at **2:00pm**. Parents will be asked to exit via the school office and join us on the field (gate 4). During this time, our Infant School Council and Junior Young Leaders will proudly share our new school logo with you.

You are welcome to bring a chair or picnic blanket, along with some food to enjoy with your child (please remember that we are a nut-free school).

If you are unable to attend, please don't worry—children will still enjoy the afternoon with their class and are welcome to bring a little extra picnic food. All children will have had their lunch as normal before the event.

At the end of the picnic at **3:00pm**, parents and carers can leave via **Gate 4 (on the field)**. Children will then return to their classrooms and will be dismissed as usual at **3:15pm**.

We hope you can join us for what promises to be a lovely afternoon together—fingers crossed for some sunshine!

Kind regards

Phillippa Longman
