Dear Parents & Carers,

Thank you to everyone who joined us for our community afternoon today. It was so lovely seeing all the children enthusiastically sharing their work with you whilst engaging in some activities too. It was great to get together for the picnic on the field where there was a fantastic community feel!

We were very proud of our school councillors who worked with the junior school leaders to share all about our new logo to the school community today. A separate communication has gone out with further information and images of the logo to see if you were unable to attend this afternoon.

A reminder that tomorrow is an INSET day and school is closed to the children. We look forward to welcoming you all back on Monday 1<sup>st</sup> June.

## School Disco - 5<sup>th</sup> June

Remember to order your school disco tickets on Arbor by the 3<sup>rd</sup> June. We are really looking forward to our next school disco on Friday 5<sup>th</sup> June. There will be a tuck shop available after each disco to support raising funds through the HSPTA.

## Chartwells-Sticker on a Plate and Food Tasters

Chartwells are running a fun initiative where random plates will have a sticker on them and if a child has a plate with a sticker on, they win a little prize. This is to encourage continued engagement and uptake of school meals. They are also offering little tasters once a week of different items from their menu to try to encourage children to try some new foods they may have otherwise never chosen.

## The Big Future Survey

Dame Rachel de Souza, the children's commissioner is asking parents and carers to support their children in completing the Big Future Survey. She wants to hear from as many children 0-18 and is asking them about changes they want to see in their communities, their biggest concerns and their hopes for the future. More than anything she wants to know what they think a good childhood should look like today. You can support your child in completing this:

## Keepers Kitchen

I loved celebrating with children from every class this morning who have been chosen by their class teachers because they are always great role models to others. They listen and join in enthusiastically with their learning, showing kindness and care towards others. They enjoyed an ice lolly to celebrate together.
