

How to download Journal Archives

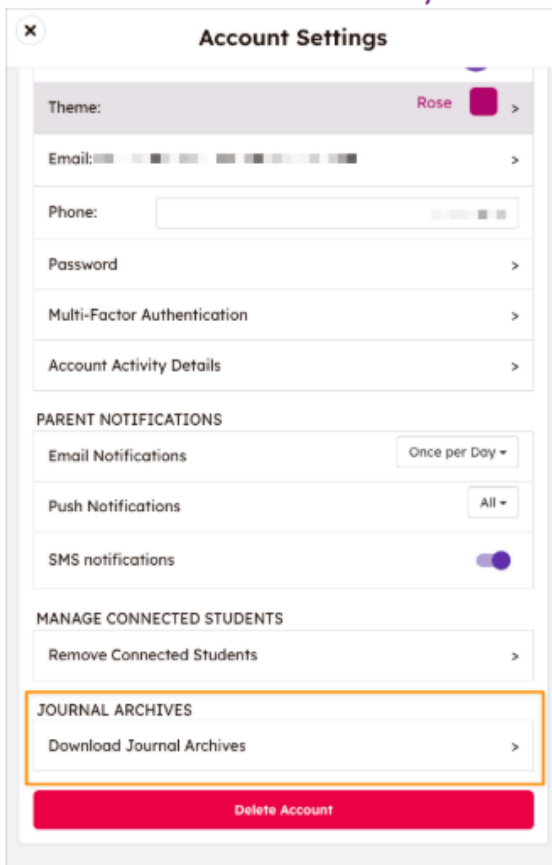

1. Sign into your **Family or Student account** from a **desktop computer** at <https://app.seesaw.me>.
2. Tap your Profile Icon in the top left corner, and select the **gear** icon.

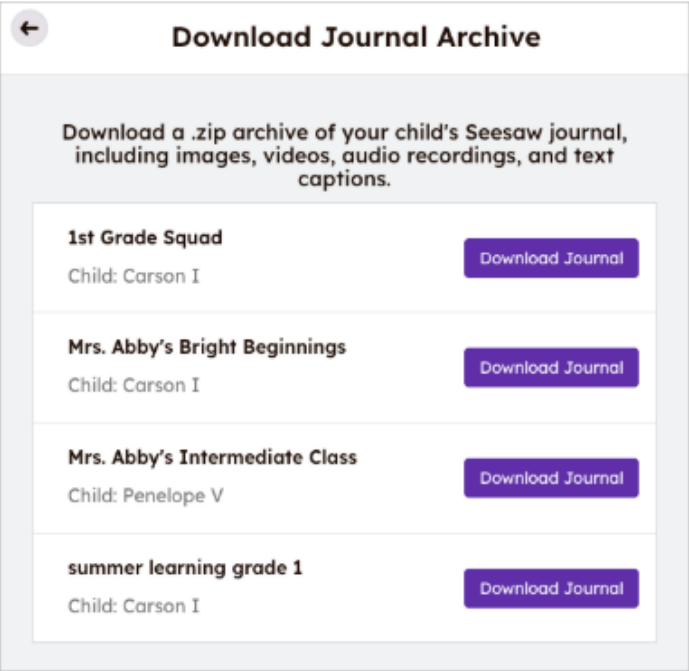

3. Tap **Account Settings**.

4. Scroll down and tap **Download Journal Archives**. 💡 Not seeing this option? Reach out to your child's teacher to make sure they have settings enabled for Family Access.

5. Tap the **Download Journal** button for the journal you want to download. This might take a while depending on your Internet speed and how many posts your child has in Seesaw.

This is what you get! Files are organised by month and then ordered by the date the post was added. You'll see an .html file with a thumbnail, text notes or captions, folder names, and links (if the post used the Link Creative Tool). You'll also see the original image, video, or audio files.
