

Dear Parents/Carers

These will be held on Thursday, 15th December in your child's classroom. Children may come to school in their party clothes but please bear in mind that they will be in these clothes all day and therefore we would suggest nothing too special, but comfortable and practical.

We will provide a small amount of party food so please do not bring any food in. However, if your child has any allergies please provide your own party snacks in a named container. Please note you will need to order a school lunch for your child on this day, or provide a packed lunch, as you would normally.

Kind regards

Phillippa Longman

Headteacher
