

HILTINGBURY INFANT SCHOOL

SCHOOL CENSUS DAY LUNCH MENU THURSDAY 6TH OCTOBER

School funding is based on key information being returned to the local authority on a number of census days during the year.

As you are aware, all Infant children are offered Universal Free School Meals and the number of children having a school lunch on 6th October is crucial as it is part of the information returned on the census. Simply, the more take-up of school meals we have on 6th October, the more Universal Free School Meal funding we get for the year. Universal Free School Meal funding benefits all children in school.

Our fabulous cooks have devised the special menu created to due to the popularity of its choices, whilst ensuring that the children get the right balance of calories and nutrition.

Please could you help us to achieve a big uptake on the day by encouraging your child to have the special census day school lunch.

Census Day Menu

Fish fingers, beans and chips
Sweet potato and lentil curry with brown and white rice (v)
Chicken burger (Streets menu)

If your child has a special menu at school, this will be catered for

There is no need to let us know in advance, just order on the day

Please note, in order to accommodate our special census day menu, there will be a change to the school lunch on Friday 7th October, when the following will be served.

Veggie sausages & Yorkshire pudding, roast potatoes (v)
Roast pork & Yorkshire pudding, roast potatoes
Beans & cheese jacket (Streets menu)

Please do encourage your child to join in and have a school lunch on census day.

Many thanks
