

**Core: Daily** Please continue to go over all the sounds learnt so far and also practice reading and writing the tricky words. Please share a book with your child each day talking about the pictures and the events.

	Day 1	Day 2	Day 3	Day 4	Day 5
<b>Reading/Phonics</b>	Watch the video 'Clusters 3' to recap our tricky words and to learn about some consonant clusters. Watch and complete the activity in the 'Clusters 3' video.	Watch the video of the story Funny Bones. Tell a grown up about your favourite part.	Watch the video about 'The Running Gingerbread Man' story. What did you learn about the importance of staying healthy?	Log in to Education City and have a go at 'What's in the Castle' from your To Do tab.	Watch the video 'The Busy Body' book. Listen carefully – what can you learn about our bodies?
<b>Writing</b>	Look at the 'CCVC pictures' – can you use your robot arms to write them?	Look at the picture from the story 'Funny Bones' Write a speech bubble for the character.	Make a list of ways you can keep yourself healthy. Use your robot arms and your sound mat to help you.	Watch this video about the caterpillar letters c, a, d, o. Have a go at practising them on paper or a white board etc.	What three facts can you remember from the text? Have a go at writing them using your sound mat.
<b>Maths</b>	Watch the video of the story 'A Squash and a Squeeze'. The focus is addition and associated language.	Play Snakes and Ladders with someone in your house. Try to use the words we use to describe more than eg. Add, bigger, larger, counting on, total, plus as you move along the board.	Watch the video 'Kippers Toy Box' to learn about maths concepts of 'more and less'.  Complete the activity from the video.	Roll two dice. Collect that number of objects. Combine the two sets and find the total.	Watch the video 'Number Sentences'. Then have a go at the game you played yesterday. Roll two dice. Collect that number of objects. Combine the two sets and find the total. Can you write a number sentence to show what you have done, eg. 3 + 4 + 7
<b>Learning Tasks Across the Week – pick one or more from each section.</b>					
<b>Understanding of the World</b>	Draw a picture of your body and have a go at labelling your body parts. Try to include some more unusual parts like shin, wrist and shoulder.	Using your log in card, log into Education City and listen to the song 'Them Bones' set in your homework.		Be like Sidney Gorilla. Research how many bones we have in our bodies. Which is the biggest and which is the smallest?	
<b>Expressive Arts and Design</b>	Draw a self-portrait. Look carefully in a mirror at all the features of your face and try to make your picture as detailed as you can.	Use anything you have at home to create your own ginger bread man eg. Baking, play dough, painting, collage, junk modelling.		Make a collage or a picture of a skeleton using anything you have at home, eg. Lolly sticks, cotton buds, sticks from the garden, chalks, pens etc	
<b>Physical Development</b>	60 Minutes to Move Watch the video on Tapestry and complete the challenge to move for 60 minutes a day. Keep an exercise diary!		Design a poster to show different ways that we can keep ourselves healthy.		
<b>Personal Social and Emotional Development</b>	<a href="https://www.youtube.com/watch?v=pOJy8-OC0iU">https://www.youtube.com/watch?v=pOJy8-OC0iU</a> Use the link to watch the story 'Have you filled a bucket today?'	Draw around your hand on a piece of paper. Can you think of three things that you could do with your hands to fill someone's bucket and draw pictures around your hand to show us your ideas.		Ask your grown-ups for a job to do to help around the house and be a helping hand!	

- Please do continue to upload things the children have done onto tapestry to continue contributing to their learning journey.
