

Are you enthusiastic about education and supporting your community? Do you have some time to commit?

If so, you may be just the person we need!

Hiltingbury Infant School is looking for an enthusiastic and committed individual to join our **Governing Body** as a **Parent Governor**. It's a fascinating and rewarding voluntary role which offers a great opportunity to contribute to your local community, and to help give our children the best possible start in life. There is a time commitment of approximately 12 meetings per year, plus occasional visits to the school in between meetings.

Governors come from all walks of life and we encourage diversity within the team. As part of our team, you need to both support and challenge the school. Governors need to ask questions to the school to help investigate how it is performing. Although experience in education is not essential, it would enhance the strength of our team. You need to be able to work effectively as part of a team, think strategically and be keen to make a positive difference. We are particularly looking for people with a financial or educational background to enhance the expertise within our two committees which are Finance, Building and Resources and Standards and Improvement.

Register your interest or arrange to meet to find out more by contacting Amy Ingram, Chair of Governors, at adminoffice@hiltingbury-inf.hants.sch.uk

Our closing date for applications is Thursday 18th January 2024.

We look forward to hearing from you!
