Dear Parents and Carers,

Do you have any light up, noisy or wind-up toys that your children no longer need or use?  
We would love to take them off your hands!

At Hiltingbury Infant School we use a highly motivating and creative approach to help build attention and early communication skills with some of our pupils. For this to work effectively we use a range of noisy, light up, movement-based toys. If you have any that you're willing to donate that would be incredibly helpful.

Yours faithfully,

Fran Masters
